Crow Wing County Hazardous Waste Facility

If you produce less than 220 pounds of hazardous waste per month (about 22 gallons per month) you are a: Minimal or Very Small Quantity Generator (VSQG).

The Crow Wing County Solid Waste Office is sponsoring a VSQG collection event for Crow Wing County on September 27, 2007. This will allow local business to be able to dispose of hazardous waste in a safe and cost efficient manner. This event will be held at the Crow Wing County Landfill site. If you wish to participate, the following are some of the rules:

1. **PRE-REGISTRATION IS REQUIRED** - you will have to call 1-800-450-0852 (ask for Troy) to Register or for more information at **least two weeks** prior to the event. You must have, be in the process or be willing to obtain an EPA ID Number, (assistance can be provided to start this process).
2. Waste not accepted: compressed gas cylinders, explosives, radioactive materials, infectious wastes, and pesticides.
3. **COSTS ARE CALCULATED BASED ON THE TYPE AND AMOUNT OF WASTE TO BE DISPOSED.** You will be responsible for paying for the disposal cost. Call the above telephone number for a tentative price.
4. If you are a first-time user, they may be able to accept up to 2,200 pounds per business. This will need to be coordinated prior to the pickup day.
5. You will be responsible for transporting the waste to the County collection site.

Thanks for participating and we hope to see you there!
